CROWDS COMING ON LABOR DAY

WEEKS AND ERLBORN SCRAP SURE TO ATTRACT THE OUTSIDERS.

That the coming smoker is creating a great deal of interest in outside camps was manifested by the numerous remarks made by different delegates who attended the recent convention. Several of the Goldfield delegates, formerly of Colorado, who know and have seen both boys in action signified their intention of returning to witness the Labor day bout. And present indications point to the largest attendance from Goldfield that has been present at any athletic encounter held in Tonopah. There will also be a good crowd from Millers. Bud Carberry, who is with the Tonopah and Goldfield railroad at Millers, and also a former Denverite, who knows both boys personally and has seen them fight, says that he will witness this bout if he has to walk. Yesterday Freddie Weeks rested in the afternoon and watched the bloomer girls play ball, but did his regular road work in the morning and from now on will only do light work each afternoon at the Casino. Young Erlborn done about nine miles on the road yesterday besides his inside work in the afternoon, consisting of an hour's boxing, etc. The management wishes to announce that the doors of the big arena will be thrown open to the public at 2:30 and the eight-round preliminary will start promptly at 3:30.

The referee will be chosen this evening and will be either Boozie Beyers or Jim Kelley, either man being satisfactory to the club, and all that is necessary now is for the principals to come to an agreement.

THIRTY YEARS WITHOUT SMILE

CHICAGO, Sept. 3.—The pathetic story of the devotion of a woman who for thirty years of her married life, as she relates it, has undergone the bitterness of self-denials, hardships and drudgery, and who has seldom know the pleasure of a kindly word or smile, nor had in all her married life seen the inside of a theater or attended a concert, was revealed today by Mrs. Ernestina Miller, aged 70, in the filing of a bill in the circuit court asking for the appointment of a receiver for property owned by her husband, Henry Miller, president of the Henry Miller Shoe company. His fortune, estimated at between \$50,000 and \$75,000, she alleges, she has helped to make.

Mrs. Miller is the mother of four children, the youngest of whom is Walter Miller, 15 years old, who, with his brother, Fred Miller, 25 years old, lives at the Miller home; Mrs. Louise Miller Weston, a married daughter, lives in Los Angeles, and Henry Miller, another son, lives in Kansas City.

FATAL ERROR BY CONSTABLE

LOVELOCK, Nev., Sept. 3.—Love-lock is overrun with moneyless and desperate men and there is talk here tonight of the formation of a vigilance committee to run the suspicious characters out of town. This is the result of petty thefts and offenses culminating in the accidental shooting and killing of J. A. Wilson, a highly respected citizen, by Constable Wolf who was pursuing some tramps who had stolen a large quantity of sugar and cached it near town.

Wolf had called on the tramps twice to stop when they ran, and Wilson, just ahead of the tramps, supposing that he was about to be held up, also started to run. It being dark the officer was unable to distinguish the men and Wilson received two bullet wounds, of which he died in twenty minutes. Four of the fleeing tramps were captured and the sugar recovered, but the town mourns the untimely death of one of its distinguished citizens.
